

Lockwood Primary School Newsletter

Friday 18th February

Dear Parents/Carers

Our Year 6 had a very exciting visit from our local PCSO yesterday. This was the climax of their history project about Crime and Punishment. They had an amazing morning in the hall, having the opportunity to try on and explore the police uniform and equipment and the morning ended in the police van with the siren blaring!!

Year 5 have concluded their Vikings History project this week, with Teams Workshops from Jorvik Museum.

The children and Mrs Walker loved every minute.

A trip is planned for after half term.

Half Term

Please remember we close tonight and do not re-open until Tuesday 1st March.

SATs Meetings

Miss Jerz and I are holding the Year 6 SAT meeting on Tuesday 1st March at 3.00pm in the main hall.

This will be an opportunity to look at the timetable for the week beginning Monday 9th May.

Miss Jerz and I will talk you through the SATs journey and share how we intend to fully prepare the children as well as sharing some past SAT papers. This will allow you and your children to see what they are expected to do, as SATs have changed considerably in recent times!

Year 2 SATs

Mrs Barber and I are holding the Year 2 SATs meeting on Monday 7th March at 2.30pm in the school hall.

Again you will have an opportunity to look at past SAT papers and to hear how school will support your children through the process.

After School Club

As of Tuesday 1st March we are re-opening our After School Building.

Children attending can be collected from here from 4pm onwards.

Stars of the week
