**Friday 4<sup>th</sup> March**

## Dear Parents/Carers

Welcome back. It was lovely to have our children return to school healthy and happy after their slightly extended half term. The children have had a lovely week in school and the atmosphere in school as I walk around is very calm.

## World Book Day

The children had a wonderful day yesterday celebrating 25 years of World Book Day. Mrs Walker did a fabulous job organizing the day and the children did you proud in their amazing outfits.

I am including some pictures to allow you to see some of the lovely activities the children enjoyed.

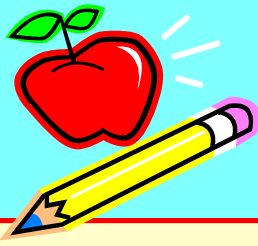

## Year 6

Miss Jerz held a meeting on Tuesday for all Year 6 parents and their children. Thank you to those who managed to attend, your support is greatly appreciated. Those who were unable to attend, your support is greatly appreciated.

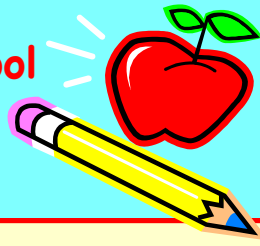

Year 6 are taking part in a careers expo next week alongside Year 4 and 5, where they will be challenging stereotypes in the world of work. Year 6 will also work with Tees Valley careers to look at career options over a 3 week period.

The English and Maths practice papers offered for sale at the meeting at a cost of £7 for both sets or £3.50 for each are in school. Children can collect theirs as soon as monies are received.
