

Lockwood Primary School – French Curriculum Amendments to the Scheme of Work

This document is to be used in conjunction with the French Scheme of Work over the next 4 academic years until we get to our desired French Curriculum for KS2. The table below shows where the planning documents can be found within the scheme of work and resources will be placed in the staff shared area to supplement this planning.

Year 3 Curriculum	Year 4 Curriculum	Year 5 Curriculum	Year 6 Curriculum
-------------------	-------------------	-------------------	-------------------

In addition to teaching the new blocks, in the starters of French lessons, children will need the time to practice their conversational skills and revise vocabulary and sentence structures from previous blocks. Register time could be used for quick revision, for example, “Bonjour Joe. *Comment ça va?*” or “Bonjour Joe. *As-tu un animal?*”
