Dear Parents and Carers

Eco team

Some exciting news we are proud to announce our fabulous eco team have completed silver level of the RSPB wild challenge.

To gain this award, they have created a mini pond in our garden area, used their senses to explore springtime, looked closer at natural objects using magnifying glasses and used recycled materials to create something new.

They also celebrated Earth Day in school.

SATs week

Monday marks the start of SATs week for Y6, they are invited to come to school Monday to Thursday from 8.15am to enjoy breakfast together in the Y6 classroom (which will be provided).

They will need to come into school via the front entrance (the back gate and door will be locked). Any child not wishing to have breakfast at school should attend at 8.40am as normal.

Breakfast club will be in the out of hours building for the week to enable the hall to be set up.
