Dear Parents and Carers

Y6 busy week

On Monday we had Headstart in to run a workshop to support transition to secondary school. Our Y6 enjoyed it immensely and found it helpful. They tell us they feel better equipped for the big transition now!

On Tuesday we had some visitors in to speak to the children about the dangers of substance misuse. The visitors reported that they found our Y6 class to be very sensible and mature. As they left they told Miss Langley that this is the nicest school in the area that they go into, that our children are always very polite, sensible and the school has a really nice feel to it. One of them actually said you don't get schools like this one! How nice is that!

In addition the Y6 had a visitor from the school nursing service to deliver a puberty talk.

Art project

On Tuesday Mrs Walker and some Y5 children visited the Village hall and helped with their ongoing mosaic project. There are lots of dates for you to join in too if you would like to contribute!

See the village hall facebook page or posters for more information. The rest of the Y5 class will get chance to contribute later in the term.
