In response to your feedback last year we included benchmarks on reports to help you understand your child's attainment.
You asked for:
Guidance on how things are taught we offered 2 sessions to look at the SRE curriculum.
An increase the number of 'catch up' clubs and we did.
ASC to be open on a Friday and it is.
The piano to be tuned and we have.
Increase out of school events when covid restrictions lifted and we did with things like the 'Jubilee picnic'.
To make sure the gates were open long enough and we have.

You also asked for an outdoor learning area – this is still under investigation
More open evenings – these will start this term.
