Dear Parents/Carers

Your children continue to be a delight to work with. As they have been working so hard I feel that they are due a little treat at the end of what has been a long half term.

I would like to invite them all to enter our annual pumpkin carving competition on the last day of term. There will be a £1 per pumpkin entrance fee and 2 prizes per class - a family Halloween hamper and a family pack of Haribo.

As times are so difficult and the children will not be able to go from door to door trick or treating, I thought we could ask you to put your pumpkins in your front window when they come home and the children could do a pumpkin trail (a sheet will be sent home to record findings) you can then reward your child/children for every pumpkin found around the village.

Remote Learning

Last week the Government made it a legal requirement that children self-isolating should follow their usual school day whilst at home. We are in the process of drawing up a remote learning plan to support every child's continued learning should they need to isolate. We will also consider how work can be submitted and marked, as well as how individual support can be offered when children get stuck (they all do at times).

I will put a suggested daily timetable/s up on eSchools and the school website as soon as it is possible and teachers will be in touch if remote learning becomes a reality.

PE Kits

Thank you for sending your children to school equipped for PE on the appropriate days. As the weather has turned and the field is quite slippery. I have asked staff to allow children not wearing appropriate PE kits to stay and work with the class TA in their classrooms. They will be much safer this way.

Our P.E. Timetable is:

Reception	-	Fridays
Year 1	-	Monday & Wednesday
Year 2	-	Tuesday & Friday
Year 3	-	Monday & Thursday
Year 4	-	Monday & Thursday
Year 5	-	Wednesday & Friday
Year 6	-	Monday & Wednesday
