

# Lockwood Primary School Newsletter

Friday 24th June

## Dear Parents/Carers

This week Daisy Dawkins has flown to Spain to represent England at the 'World Dance Championships'.

We are all very excited and looking forward to hearing how well she has done on her return to school.

## Year 6 Leavers

I had a lovely morning working with Year 6 this week.

We had a lovely time talking about all the things they have enjoyed throughout their time at Lockwood and even though they are totally fed up of writing they then captured all of those memories in their own 'Leaver's Book page'.

When all the children have saved their completed piece on the computer a book will be made of everyone's memories to go home at the end of term.

Hopefully they will make you smile when they bring them home and the children smile when they look back at them as adults.

## Chocolate Chase

This week we have had a chase to see which class can bring in the most chocolate. The chocolate will be used for a tombola stand at our Summer Fair next week.

I hear Year 4 are currently in the lead!

The children in the class that collect the most will each receive a Headteacher's pencil.

## Summer Fair

Next Friday afternoon is our Summer Fair. The Fair will open at 1:30pm. The side gates at the front of school will be opened for access.

Children will need signing out of class as they were for the Jubilee picnic, a TA will meet you at your child's usual entrance/exit and collect your child from the classroom for you.

Children whose parents cannot attend will watch a movie in school and an adult will take these children out to the fair in small groups to allow full participation. **If you would like an adult other than yourself to take your child to the fair please let the office know before next Thursday.**

## Sex Relationship Health Education (SRE)

I will be holding a consultation event that introduces our new scheme of work and what is covered with regards to Sex Education on 29/06/22 at 5:30pm.

Please let the office know if you intend to attend by 12pm on Wednesday.

Letters will be sent home outlining the content covered in each year group once this meeting has taken place. If you decide you would like to withdraw your child from the non-statutory elements of the program please ring me to discuss your reasons prior to requesting they be withdrawn.
