

Lockwood Primary School

Addendum to Behaviour Policy

Behavioural Management during the Coronavirus (COVID-19) Pandemic

Statement of intent

The school aims to act in accordance with the Behavioural Policy as much as possible; however, we understand the necessity for additional rules and considerations while the school observes social distancing and infection control guidelines. This appendix sets out what additional actions the school will take when reopen.

The information in this appendix is under constant review and kept updated to reflect any changes to national or local guidance.

Enforcing new rules

The school ensures that infection control and social distancing rules are communicated effectively to all pupils.

Staff have been party to developing the measures in place so they can enforce these rules at all times.

The school informs parents of any changes to provision outlined in this policy.

The school expects pupils to uphold these rules at all times.

Staff are informed of discipline and rewards in place to aid enforcement of these rules in line with this policy.

Where required, staff explicitly teach and supervise health and hygiene arrangements, e.g. handwashing, tissue disposal and toilet flushing.

The school recognises that pupils may be supervised or taught by members of staff they have had no prior contact with; however, pupils are expected to treat all members of staff with respect and work together to maintain a safe environment.

The school expects pupils in wrap-around care, e.g. breakfast clubs, to adhere to the school's social distancing and infection control rules.

Arrival and departure

The school expects pupils to follow all arrival and departure arrangements to the best of their ability and to arrive at the correct time.

Pupils are expected to participate in any infection control and social distancing measures, e.g. hand washing, before entering and exiting the school.

The school expects pupils to move immediately to their classrooms after washing their hands upon arrival.

Upon departure from school, the school expects pupils to move immediately from the school buildings and not to linger on the school premises without good cause, e.g. they are waiting to be picked up.

Hygiene and infection control

The school has ensured a risk assessment was conducted prior to reopening to more pupils in order to enforce adequate and practical measures to safeguard the health and safety of both staff and pupils. This is updated in line with guidance.

The school understands that younger children cannot be expected to remain two metres apart from others at all times and takes this into account with regards to discipline and giving rewards.

All children should stick to their class groups and avoid mixing – staff reinforce this behaviour through teaching, rewards and supervision.

Pupils are expected to wash their hands for at least 20 seconds with soap and water, and/or alcohol-based hand sanitiser:

Upon arrival at and departure from the school.

Before and after consuming food.

After using the toilet.

After coughing or sneezing.

Pupils are expected to maintain good hand and respiratory hygiene at all times while in school, to the best of their ability.

Pupils are expected to dispose of tissues using the litter bins provided.

Pupils are expected to use infection control provisions responsibly, e.g. using hand sanitiser as directed.

Pupils are discouraged from sharing equipment or toys which pose a higher risk of infection.

The school prohibits pupils from spitting, biting, purposefully coughing in another person's vicinity, or other behaviours that increase the risk of spreading infection, e.g. purposefully disposing of soiled tissues in an unsafe manner.

Pupils whose behaviour is purposefully contrary to the infection control measures in place will be disciplined in line with school policy.

Pupils who are deemed unable to fully adhere to infection control rules, e.g. some pupils with SEND or younger children, are not disciplined for poor behaviour in this regard – positive behaviour is reinforced using praise and rewards.

Members of staff encourage pupils who are deemed unable to fully adhere to infection control rules to practice good infection control behaviours to the best of their ability, through teaching, praise and supervision.

Social distancing

General

Pupils adhere to the social distancing measures put in place by the school.

Pupils form orderly queues and they are respectful and patient towards their peers.

Pupils are expected to:

Refrain from close contact with people who display symptoms of coronavirus.

Remain at least two metres apart from other people in a different bubble, where practicable.

Remain within their assigned bubbles.

Where it is not practicable for pupils to remain two metres apart from others, they are expected to maintain as much distance between themselves and others as possible and to ensure their time in close proximity to others is limited.

Pupils are placed into Year group bubbles and they are not permitted to mix with other pupils outside this class.

Pupils whose behaviour is purposefully contrary to the school's social distancing measures are disciplined in line with this policy.

Pupils who are deemed unable to fully adhere to social distancing measures, e.g. some pupils with SEND or younger pupils, are not disciplined for poor behaviour in this regard - positive behaviour is reinforced using praise and rewards.

Members of staff encourage pupils who are deemed unable to fully adhere to social distancing measures to keep away from others, to the best of their ability, through teaching, praise and supervision.

In the dinner hall

The school expects pupils to respect the health and safety of catering and canteen staff and to follow all infection control and social distancing rules put in place while collecting and eating food.

Pupils are allocated a specific time to use the canteen to help adhere to social distancing rules. Pupils do not enter the canteen or dining area unless expressly told to do so by a member of staff.

During sports and exercise activities

The school expects pupils to follow all social distancing and infection control measures during sports and exercise activities, both indoors and outdoors.

Pupils will arrive at school wearing their full outdoor PE kit.

Pupils are expected to remain at least two metres apart, or as far as is practicable, from others.

The school does not permit close-contact sports, play or activities at this time.

Pupils who purposefully take part in close-contact sports, play and activities, or whose behaviour purposefully poses a greater risk of infection, are disciplined in line with this policy.

Pupils who are deemed unable to adequately follow social distancing or infection control measures during sports, activities and play are not disciplined - correct behaviour is reinforced by a member of staff.

During collective worship

There will be no whole school acts of worship. Virtual assemblies will be introduced in the Autumn Term.

Moving around the school

The school expects all pupils to move around the school following the school's arrangements, e.g. using one-way systems.

The school prohibits pupils from lingering in walkways, toilets, and other communal areas without good cause. For this reason we have implemented a toilet token system.

Pupils are expected to move directly from one destination to the next at the times allotted to them and in their assigned groups, e.g. moving from one class to another or using the canteen.

Pupils may leave the classroom to use the toilets or other sanitary facilities one at a time, with permission from a member of staff.

Pupils who purposefully and continuously linger in walkways and communal areas without good cause are disciplined in line with this policy.

Ill health and infection

The school expects pupils to report to a member of staff as soon as possible if they are feeling unwell and showing symptoms of coronavirus, or believe a peer is showing symptoms of coronavirus.

Any bullying or harassment towards pupils who have had, currently have, or are suspected to have coronavirus is not tolerated - this behaviour is addressed in line with this policy and the Anti-Bullying Policy.

The school has allocated a suitable area that can be used to isolate pupils who shows symptoms of coronavirus whilst they wait for their parent or primary carer to collect them.

Pupils who have been advised to self-isolate at school while waiting to go home are expected to follow all infection control and social distancing rules in place and must not leave the area used to isolate them until their parents or primary carer picks them up.

The school premises

Pupils are prohibited from entering areas of the school that have been closed for cleaning, social distancing, or infection control purposes.

Pupils who purposefully access prohibited areas of the school without permission are disciplined in line with this policy – pupils who are deemed unable to fully adhere to these restrictions are not disciplined and the correct behaviour is reinforced instead.

Break-time and lunchtime arrangements

The school expects pupils to adhere to social distancing and infection control measures, to the best of their ability, during lunchtimes and break-times. This means staying inside their bubbles allotted play space.

Pupils are expected take their breaks and lunchtimes at phased times, within their permitted class groups and only in designated areas.

Bubbles must not mix.

School uniform

The school expects all pupils to wear uniform while in school, in line with the School Uniform Policy.

Children are expected to wear their full outdoor PE kits on the days that they have PE. Black, dark grey) or Navy jogging bottoms, white T-shirt and black, dark grey or Navy jogging top and trainers.

Managing the behaviour of remote learners

Pupils who are learning remotely off-site are expected to adhere to this policy.

The school expects pupils who are learning remotely to uphold good behaviour at all times and to:

Get up, dress, eat breakfast and start their school work at the usual time.

Logon to eSchools to view their work.

Complete the work that has been set and return it on time, to the best of their ability.

Keep all communication polite and appropriate, and in line with the school's remote learning arrangements.

Not misuse or mistreat the resources or technology utilised for the delivery of remote learning.

Report any issues, including harassment or bullying from their peers, to their teacher.

The school recognises that some sanctions are unable to be given to pupils learning remotely and that adjustments to the actions outlined in section 13 of this policy may be in place.

Where discipline must be deferred until the pupil returns to school, the headteacher informs the pupil's parent via letter and the pupil will be disciplined when it is safe to do so.

Exclusions

All poor behaviour is addressed in line with this policy and discipline remains rational, reasonable, fair and proportionate.

Persistent poor behaviour, including the persistent, purposeful refusal to follow the school's social distancing and infection control rules, may result in the pupil being excluded from school in the interests of the health and safety of the pupil and others.

The headteacher retains the power to exclude pupils on disciplinary grounds – all exclusions and their arrangements are carried out in line with the Exclusions Policy, where practicable.

Where an excluded pupil is considered vulnerable or is the child of a key worker who cannot be safely cared for at home, the headteacher liaises with the LA and the pupil's parents as soon as possible to discuss what reasonable adjustments can be put in place, taking into consideration the pupil's safety and the safety of others.

The headteacher liaises with the LA and the parents of a permanently excluded pupil to arrange alternative provision to minimise any breaks in education.

The timeframes set out in the Exclusions Policy remain in force, where practicable. This applies to all exclusions, including those that were issued before 23 March 2020.

Where a deadline cannot be met, meetings and panel hearings may take place even if the relevant deadline has been missed – where necessary, the governing body decides whether any meetings should be delayed.

The governing body takes reasonable steps to ensure that meetings are arranged for a time when all parties are able to attend or attend virtually.

Rewards and discipline

Rewards and discipline are given in line with this policy, where practicable – discipline that cannot be given with immediate effect to remote learners is carried out in line with section 10 of this appendix.

Staff ensure that any rewards given adhere to the school's infection control and social distancing measures.

The school understands that pupils may have had different experiences during the coronavirus pandemic and that this may affect how pupils re-adapt to a school environment and its routines.

Where the school recognises that a pupil's challenging behaviour may be linked to their experiences during the coronavirus pandemic, e.g. bereavement, it acts in line with relevant policies and ensures adequate wellbeing support is offered.

Monitoring and review

This appendix is reviewed in reaction to any new government advice by the headteacher.

The date of the next review is December 2nd

Once the school resumes regular activity, and if deemed appropriate by the headteacher, all sections within this appendix will expire
